One Man's Dream...

COVE Alliance originated as one man's dream, and has become a growing network of caring, gifted people reaching out to orphaned and disadvantaged children in Uganda. Hilary Muheezangango began studying for the Catholic priesthood at University of St. Mary of the Lake / Mundelein Seminary in 2003. While spending time at St. Mary of Vernon parish nearby, he shared personal stories of growing up in central Uganda, an area that had seen multiple civil wars since his birth in 1972 and now faced a large scale outbreak of HIV/AIDS. Those childhood experiences included roaming and sleeping in jungles while seeking safety during times of war. Some years later, as a young seminarian in Uganda's Kasana-Luweero Diocese, he ministered to hundreds of orphaned youths. "Now the remnants of the war became the victims of HIV/AIDS," reported Hilary. "Pretty much HIV/AIDS has swept the generation that survived the war, leaving many of the children orphans." COVE Alliance, a nonprofit organization serving orphaned and vulnerable children in central Uganda, was founded. Today, COVE Alliance U.S. raises funds to support COVE's presence in Uganda. The town of Kapeeka and the Diocese of Kasana-Luweero are home to COVE Alliance Uganda with its Children's Outreach Program and site of the St. Jerome COVE Center.

Dear Friends of COVE Alliance,

With the support of generous donors, the St. Jerome COVE Center helps Uganda's orphaned and disadvantaged children through COVE Alliance's health clinic and education programs. Children in Kapeeka, Uganda live in extraordinarily poor conditions and face great difficulty in overcoming the cycle of poverty. By joining with COVE Alliance, you can improve their lives and create the real possibility of constructive change toward improving their future. You can help by making a donation in any amount online at covealliance.org or by mailing a check to us at P.O. Box 1051, Libertyville, IL 60048, or by sponsoring a child to support her or his education, room and board and medical care. Your gift of \$480 per year/\$40 per month, or \$960 per year/\$80 per month, will provide a needy child with an education and his/her basic necessities of food, shelter and healthcare. Sponsoring at \$480 annually covers half the amount of a child's education and basic necessities, while sponsoring at \$960 per year covers the child's full annual costs. To sponsor a child, please complete the form on the back.

With our sincerest gratitude,
